#### terms & conditions:

- available 1st February - 29th February 2024, or while stocks last
- an exclusive offer to mesoesthetic stockists that predominantly sell product in-store, such as clinics. This offer is not available to stockists whose principal business is online retailing

## mesoesthetic are experts in pigmentation

Ensure you have the correct retail products available to provide solutions for your clients with pigmentation.

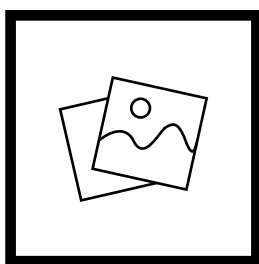

This package includes suitable products for all key steps of a regime for those with pigmentation concerns – cleanser, serum, moisturiser, sun protection, eye cream, exfoliator and treatment products.

## suggested promotions

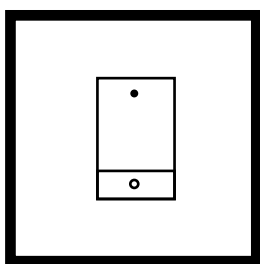

- SAVE 20% when you buy 3 mesoesthetic pigment products
- Buy 2 mesoesthetic pigment products and receive a FREE sample pack
- Book a course of mesoesthetic treatments and SAVE 20% on home care products
